# Introduction

This guide provides information about a wide range of programs and services that can help you stay mobile, active and connected to your community. These programs include helping you remain a safe driver and specialized assistance getting out into the community. Regardless of your situation, there are services available that can help you. Here are some common situations and information you may find helpful.

## **You drive yourself and plan to keep driving as long as you safely can.**

- A driver safety course can help keep your skills sharp and make sure you know how to adjust for changes as you get older. Page 33
- Many publications and online resources can help you spot possible difficulties before they become serious problems. Page 34

## **You drive yourself but don't feel as confident as you used to.**

- A driver safety course can help you learn how to adjust your driving and deal with issues related to vision, flexibility, reaction time and medication. Page 33
- Adjustments to your car may help you drive with more confidence. Page 34
- Public transportation may be an option for you. If you haven't ridden a bus for a long time, you might be surprised by how much they've changed. Page 3
- A SamTrans Mobility Ambassador can help you learn about transportation options. Page 7

## **You've cut back on your driving and are looking for other ways to get around.**

- Depending on your physical abilities, public transportation may be an option for some of your needs. Buses now have a lot of features that make them easier to use. Page 3
- Many communities have small buses that are designed for short trips to go shopping, to the library and to medical appointments. Page 10
- If using the bus is too hard for you, you might be eligible for services that pick you up at home and take you where you want to go. Page 9

## **You are concerned about a friend or family member who probably shouldn't be driving anymore.**

- Several publications provide tips about how to talk to friends and family about driving. Page 35
- Get the latest information about Department of Motor Vehicles policies on testing, reporting and license renewal. Page 35

## **You ride public transportation but you're finding it more difficult as you get older, for example, if you need to carry anything.**

- Local shuttle routes in some communities may be easier for you to use than SamTrans buses. Page 10

## **You can't drive, or prefer not to, and transit routes just don't go where you need to go.**

- You may be able to get a ride on services operated by community organizations and some cities. Page 26

## **Your condition doesn't let you drive or use public transportation.**

- You may be eligible for paratransit service that picks you up at home and takes you where you want to go. Page 9

## **You need help from another person in order to go anywhere.**

- Services operated by community organizations and some cities may be able to help you. Page 26

# Transit Service Information

The San Mateo County Transit District manages a range of public transit services, including SamTrans bus service, paratransit service for individuals who cannot use fixed-route transit, and Caltrain rail service.

## SamTrans

SamTrans provides fixed-route bus service throughout San Mateo County and into parts of San Francisco and Palo Alto. Seniors and people with disabilities with approved ID can save money by paying the Eligible Discount fare and enjoy priority seating at the front of the bus.

SamTrans buses have many amenities for those with physical challenges. All SamTrans buses can “kneel” to lower the bus so the first step is easier to reach, and also have lifts or ramps for those with mobility devices or have difficulty climbing steps. Each bus has grab rails and two wheelchair spaces—the operator will secure the device in place, and offer a lap and shoulder belt for added safety.

SamTrans buses make amplified announcements of major transfer points, intersections and destinations. An electronic message board inside the bus displays the same information. External loudspeakers announce the route number and destination of the bus at all bus stops.

Free travel training is available for people with disabilities who want to learn to ride SamTrans buses or Caltrain. For more information about travel training, call 650-508-6202.

For more information about SamTrans service, call 1-800-660-4287 (TTY 650-508-6448) or visit [www.samtrans.com](http://www.samtrans.com). Redi-Wheels paratransit is available for people whose disabilities or health conditions prevent them from using the bus. See page 9 for more information.

## **SamTrans FLX Services**

FLX Pacifica operates on a fixed route, serving SamTrans bus stops. However, customers can arrange for direct service within one-half mile of the route by calling up to one day in advance.

Service Area:	Pacifica
Hours:	Monday through Friday, 7:00 am to 7:00 pm
Fare:	\$1.00 local or \$2.50 day pass with senior discount
Eligibility:	Open to all, no restrictions
Accessibility:	Buses are wheelchair accessible
For More Information:	1-800-660-4287 (TTY 650-508-6448)
Or to Book a Ride:	650-560-0360 (24-hours in advance)

For schedules and a map go to

[www.samtrans.com/schedulesandmaps/timetables/FLX-Pacifica.html](http://www.samtrans.com/schedulesandmaps/timetables/FLX-Pacifica.html)

## **Caltrain**

Caltrain operates rail service on the Peninsula between San Jose and San Francisco, with commute-hour service to Gilroy. Caltrain has 13 stations in San Mateo County, connecting with BART at the Millbrae Transit Center. Seniors and people with disabilities with appropriate ID may save by paying the Eligible Discount fare. All fares must be paid prior to boarding, either by tagging on (and then tagging off at the destination) with a Clipper card at the Clipper reader or by purchasing a paper ticket from the ticket machines on the station platforms.

The older “Gallery” style trains have a wheelchair accessible car that can accommodate up to three wheelchairs. The newer Bombardier trains can accommodate up to 10 wheelchairs, two in each car, space permitting. Boarding assistance is available from conductors, including the use of a lift or bridge plate for wheelchair users and those who have difficulty with stairs. Caltrain stations that are not currently wheelchair accessible are 22nd Street, South San Francisco, Broadway, Atherton, Stanford and College Park. The other 26 stations are fully accessible. All Caltrain stations provide free parking for passengers with a Disabled placard.

Senior Clipper cards are available by mail (see [www.511.org](http://www.511.org) or [www.Clippercard.com](http://www.Clippercard.com) for details) or at Bay Area transit agencies. Regional Transit Connection Clipper cards for people with disabilities are available at Bay Area transit agencies.

For more information on Caltrain service, call 1-800-660-4287 (TTY 650-508-6448), or visit [www.caltrain.com](http://www.caltrain.com).

## **BART (Bay Area Rapid Transit)**

BART is a regional rail service with six stations in northern San Mateo County (Daly City, Colma, South San Francisco, San Bruno, San Francisco Airport and Millbrae). The entire BART system consists of five lines with 44 stations in San Mateo, San Francisco, Alameda and Contra Costa counties.

BART has many features to make it easy for seniors and persons with disabilities to use it. There is disabled parking at all stations with parking lots. All BART stations have escalators and elevators to the platforms. From the platform, there is level boarding to the trains. All BART cars have space for wheelchairs. Station Agents are available at all times in each station to help seniors and persons with disabilities.

For more information on BART service or ticket vendors call 650-992-2278 (TTY 510-839-2220) or visit [www.bart.gov](http://www.bart.gov).

## **San Francisco Municipal Transportation Agency (Muni)**

Muni provides public transportation in San Francisco and connects with SamTrans, Caltrain and BART. Muni buses are fully accessible on all lines. Muni Metro Light Rail services are accessible at all stations and at key stops on the surface portion of the Metro lines.

For a brochure or more information on Muni's Accessible Services, please call the Muni Accessible Services Program at 415-701-4485 (TTY 415-701-4730) or visit [www.sfmta.com/getting-around/accessibility/access-muni-buses](http://www.sfmta.com/getting-around/accessibility/access-muni-buses).

For more information on Muni service call 415-701-2311 (TTY 415-701-2323) or visit [www.sfmta.com](http://www.sfmta.com).

## **Santa Clara Valley Transportation Authority (VTA)**

VTA provides public transit in Santa Clara County and connects with SamTrans in Palo Alto. All buses are equipped with lifts or ramps to make boarding easier for persons who use mobility devices or for anyone who may have difficulty negotiating steps. VTA requires that all mobility devices be secured on VTA buses. VTA's light rail stations provide level boarding – meaning that there are no steps required to get on board – or ramps for boarding assistance.

For more information on VTA service, call 408-321-2300 (TTY 408-321-2330) or visit [www.vta.org](http://www.vta.org).

For individuals who are unable to use VTA's bus or light rail services due to their disabilities, paratransit is provided as required by the Americans with Disabilities Act (ADA). Information about VTA's ADA paratransit can be obtained by calling Outreach at 408-436-2865 (TTY 408-436-0155).

### **Discounts on Public Transit**

Seniors (age 65 and older) are eligible for discounted fares on SamTrans, Caltrain, and all other Bay Area public transit systems if they possess a valid photo ID, or a Medicare Card, or a Department of Motor Vehicles Disabled Placard Identification Card. The Senior Clipper Card offers the same features and discounts as the Regional Transit Connection (RTC) card. For SamTrans, they may also purchase an Eligible Discount Monthly pass, which is only available on a Clipper Card. Seniors can apply for a Senior Clipper Card at SamTrans Headquarters or through the mail. The card is free and does not expire. For more information or to request an application, call SamTrans at 1-800-660-4287 (TTY 650-508-6448) or visit [www.samtrans.com/clipper](http://www.samtrans.com/clipper).

## **Regional Transit Connection (RTC) Discount ID Card**

The RTC Discount ID Card allows passengers (under age 65) with disabilities to ride at a discounted fare on Bay Area transit systems, including SamTrans, Caltrain, BART and Muni. The RTC Discount Card is available to qualified persons with disabilities. RTC Discount Cards are issued as “Clipper Cards”; once loaded with funds, they can be used to pay your fare on most Bay Area transit systems. For more information or to request an application, call SamTrans at 1-800-660-4287 (TTY 650-508-6448) or visit [www.samtrans.com/fares/clipper.html](http://www.samtrans.com/fares/clipper.html) or <https://511.org/transit/accessibility/discount>.

## **Mobility Ambassadors**

Mobility Ambassadors are volunteers who help older adults and people with disabilities become familiar with their transportation options. An Ambassador can help you plan a trip using public transit, find a driver safety class, and teach you about alternatives to driving, such as community shuttles. They also give educational presentations, conduct group and one on-one rider training, and organize group trips on transit to interesting destinations. You can set up an appointment with an Ambassador at senior centers, community centers or public libraries throughout the County.

Some of the senior centers include:

- Doelger Senior Center, Daly City
- Twin Pines Senior and Community Center, Belmont
- Foster City Senior Wing, Foster City
- Little House, Menlo Park
- Menlo Park Senior Center, Menlo Park
- Fair Oaks Adult Activity Center, Redwood City
- Veterans Memorial Senior Center, Redwood City
- San Bruno Senior Center, San Bruno
- San Bruno San Carlos Adult Community Center, San Carlos
- Martin Luther King Senior Center, San Mateo
- San Mateo Senior Center, San Mateo
- Half Moon Bay Senior Center, Half Moon Bay

To learn more about the Mobility Ambassador Program, to schedule an appointment with an Ambassador, or to volunteer, contact Jean Conger at 650-508-6362, or email us at [Ambassador@samtrans.com](mailto:Ambassador@samtrans.com).

## **Veterans Mobility Corps**

The Veterans Mobility Corps is a unique Vet-to-Vet program providing free assistance for all military veterans who cannot drive due to Post Traumatic Stress Disorder (PTSD), Traumatic Brain Injury (TBI) or other disabilities. Veteran Volunteers (who are military veterans themselves) can assist you to maintain your mobility and independence by training you to ride public transit and access other alternatives to driving, such as community shuttles. They are carefully screened and trained to work with veterans of any age, and with a variety of disabilities.

In addition to conducting one-to-one and group rider training, Veteran Volunteers are also available to give educational presentations and organize group trips on transit to popular destinations.

If you would like to learn more about the Veterans Mobility Corps, to schedule an appointment with a Veteran Volunteer, or to volunteer, contact Jean Conger at 650-508-6362, or email [CongerJ@samtrans.com](mailto:CongerJ@samtrans.com).

## ADA Paratransit

If you are unable to use the SamTrans regular bus service some or all of the time due to a disability, you may be eligible for Americans with Disabilities Act (ADA) paratransit service. SamTrans operates the paratransit service called Redi-Wheels on the bayside of the county and RediCoast on the coastside. Paratransit buses, vans and sedans serve most of the county and will come to your home and take you to your destination. The vehicles have “tether straps” for wheelchair securement. Trips can be reserved up to seven days in advance and as late as one day in advance. Before you can use ADA paratransit, SamTrans will need to evaluate your eligibility; this process may take up to 21 days.

For more information on ADA paratransit service in San Mateo County, call Redi-Wheels/RediCoast at 650-508-6241 or visit [www.samtrans.com/Accessibility/Paratransit.html](http://www.samtrans.com/Accessibility/Paratransit.html).

## Information and Assistance

The following organizations provide staff who can consult, advise and assist individuals on a wide range of issues including transportation services and programs available in various parts of San Mateo County:

Healthy Aging Response Team (HART) (north County): Weekdays, 8:00 am to 5:00 pm, 650-991-5558 or [HART@dcpartnership.org](mailto:HART@dcpartnership.org), or [www.dcpartnership.org/programs/healthy-aging-response-team/](http://www.dcpartnership.org/programs/healthy-aging-response-team/)

### **Avenidas Door To Door**

Service Area:	Belmont south to Mountain View
Hours:	Monday through Friday, 8:15 am to 4:00 pm
Fare:	\$9.00 up to 4 miles, \$13.00 up to 8 miles, \$18.00 up to 12 miles
Eligibility:	Seniors without their own transportation and without access to public transportation
Accessibility:	The vehicles are not wheelchair-accessible.
For More Information:	650-289-5453
Or to Book a Ride:	650-289-5411 (up to 5 weeks in advance)

Avenidas provides all types of trips whether they are trips to medical appointments, the hair salon, to Avenidas for a class, lunch with a friend, shopping destinations, etc. The fares are billed monthly. Drivers will escort passengers to and from the car. Caregivers and spouses may accompany passengers at no additional charge. Weekly grocery shopping is provided by volunteer drivers who take three people at a time to the store of their choosing. The driver will wait at the store, load bags into the car, and take the passengers and groceries home. Due to high demand, weekly grocery shopping is limited to customers currently in the program, though new customers can have their names added to a wait list.

## Local Driver Safety Training

### AARP

The AARP Driver Safety Program offers local classes for drivers aged 50 or over. The courses cover many topics related to being an older driver, such as traffic rules, staying flexible, medications, etc. The course is designed to help you remain a safe driver. It covers normal age-related physical changes and how to adjust your driving to allow for these changes. Additionally, all insurance companies offer a discount to AARP Driver Safety graduates.

Courses are offered throughout the year. Each class is eight hours long, most commonly in two four-hour segments over two days. In San Mateo County, courses meet at nearly 20 locations throughout the county. AARP now offers a four-hour renewal course for previous graduates.

For information on AARP Driver Safety courses in your area, and for other helpful information, go to [www.aarp.org/drive](http://www.aarp.org/drive) or call 877-846-3299.

## **California Highway Patrol (CHP)**

The California Highway Patrol offers an Older Driver Traffic Safety seminar in conjunction with the San Mateo County Commission on Aging and San Mateo County Supervisor Adrienne Tissier. The free class is three hours long and is designed to help keep older drivers on the road longer and refresh their driving skills. To register for the seminar or for more information, please call the office of Supervisor Adrienne Tissier at 650-363-4572.

## **Other Driver Safety Resources**

### **Self Assessments**

If you are becoming concerned about your ability to drive a vehicle, information developed by various aging and traffic safety groups may help you determine whether you need to have a more formal evaluation of your driving abilities.

#### ***Roadwise Review—AAA (online tool)***

The AAA Roadwise Review is an interactive online tool that helps you identify potential aging-related driving issues, identify steps to reduce risk, and monitor your driving health in private. Go to [www.seniordriving.aaa.com](http://www.seniordriving.aaa.com) for this and other helpful online resources, including an online older driver safety course.

#### ***Driving Decisions Workbook***

The University of Michigan developed a web-based workbook to help older drivers evaluate their ability to drive safely. The workbook is available online at <https://deepblue.lib.umich.edu/handle/2027.42/1321>

#### ***National Highway Traffic Safety Administration Brochures***

The National Highway Traffic Safety Administration (NHTSA) has developed a series of online publications that address older adults' ability to drive safely. These include "Safe Driving for Older Adults," "Driving Safely While Aging Gracefully" and materials dealing specifically with driving after a stroke or with various conditions, such as arthritis, Parkinson's disease, sleep apnea, diabetes, or seizures. These resources can be viewed online at [www.nhtsa.gov/Driving+Safety/Older+Drivers](http://www.nhtsa.gov/Driving+Safety/Older+Drivers). Copies of most can be ordered

by calling the NHTSA at 888-327-4236 or online at <https://mcs.nhtsa.gov/> (click on “Motorcycle and Older Driver”).

## **Adjusting Your Vehicle**

Proper adjustment of seats, mirrors, headrests and the steering wheel can help keep you driving safely. A variety of simple devices can be added to help compensate for physical changes or simply to make the vehicle fit you more comfortably and safely. The American Society on Aging, the American Automobile Association and AARP have developed a program called CarFit, Helping Mature Drivers Find Their Perfect Fit. For more information, go to [www.car-fit.org](http://www.car-fit.org) or to [www.aarp.org](http://www.aarp.org) and search for “driver safety.”

## **Talking to Family and Friends**

The Hartford insurance company has developed a series of publications about initiating conversations with older drivers, exercise for drivers, vehicle technology and older drivers, dementia and driving, and other topics. These publications can be viewed online, downloaded, or ordered at <https://www.thehartford.com/resources/mature-market-excellence>

## **Department of Motor Vehicles (DMV) Licensing**

The DMV does not take away your driver’s license when you reach a certain age. Your mental and/or physical condition and your ability to follow traffic laws and rules regardless of age determine whether your license is renewed, restricted, suspended or revoked. All customers age 70 or older must renew their driver’s license in person at a DMV office. Restrictions may be imposed relating to declining physical condition.

The number one restriction for senior drivers is vision-related and usually requires the driver to wear glasses or corrective contact lenses. Some other common restrictions are no freeway driving, no nighttime driving, no rush hour driving, or driving only with proper support to ensure a proper driving position.

For More Information:     1-800-777-0133  
  TTY 1-800-368-4327

Or visit [www.dmv.ca.gov/portal/dmv/detail/about/senior/senior\\_top](http://www.dmv.ca.gov/portal/dmv/detail/about/senior/senior_top)

## Disabled Parking Placards

You can get a Disabled Person placard or license plates if you have impaired mobility and a licensed physician, surgeon, physician's assistant, nurse practitioner, or certified nurse-midwife certifies your condition.

The placard and plates entitle you to park your vehicle in parking spaces designated for persons with disabilities, including spaces at a blue or green curb, at metered on-street parking spaces at no charge, and in areas that require residential or merchant permits. You do not have to own or drive the vehicle to use the placard.

For More Information:     1-800-777-0133  
  TTY 1-800-368-4327

Or visit [www.dmv.ca.gov/portal/dmv/detail/about/senior/senior\\_top](http://www.dmv.ca.gov/portal/dmv/detail/about/senior/senior_top) (click on "Disabled Person Placard or Plates" under "Getting Around").

## Walking and Fitness

Fitness and exercise are key components of your mobility. Not only does regular exercise make it easier to walk to destinations and travel on transit, it also helps maintain your body's strength, flexibility, reflexes and coordination, which can lengthen the amount of time you are able to drive safely.

## City Parks and Recreation Departments

Most cities in San Mateo County offer health and exercise classes through their Parks and Recreation Departments. Some cities even have programs targeted specifically at older adults. For more information, contact your city's Parks and Recreation Department.

## San Mateo County Adult Schools

Several group exercise classes are available through the county's five Adult Schools. Seniors can often take these courses for free or for a nominal fee. For

more information and a current schedule of classes, contact:

- Jefferson Adult School (Daly City):  
650-550-7890 or [www.jeffersonadulthood.net](http://www.jeffersonadulthood.net)

## Other Information Resources

### Help at Home Directory

The Help at Home Directory is a mini reference guide to assist San Mateo County adults of all incomes to remain in their homes when they are ill, disabled or in crisis. The guide is developed by the San Mateo County Commission on Aging and contains some information on transportation in the county.

Printed copies of the directory can be found at all senior centers in the county, or you can request a printed copy by calling 650-573-2643.

PDF versions of the booklet in English, Spanish or Chinese can be found at [www.smchealth.org/helpathome](http://www.smchealth.org/helpathome).

### Peninsula Library System

There are 33 libraries in San Mateo County, with at least one branch in almost every city. Each library has many informational resources for seniors, such as printed copies of the Community Information Handbook and helpful librarians who will do their best to help you find answers to your questions. Additionally, each library has maps and schedules for local transit. Most libraries also have computers that you can use to access websites and staff who can look up most of the Internet references in this guide for you.

To find the branch nearest you, consult the blue government pages of your local phone book or go to [www.plsinfo.org](http://www.plsinfo.org).

### SMC Connect

SMC Connect is an online search engine that helps users locate community services in San Mateo County developed by the County of San Mateo Human Services Agency. Go to [www.smc-connect.org](http://www.smc-connect.org)

## **511**

511 is a one-stop resource for Bay Area transportation information, including real-time traffic conditions, public transportation routes and schedules, bicycling information and much more.

511 information is available on the phone by dialing 511 or on the web at [www.511.org](http://www.511.org). To use the phone service, speak your choices or press zero to use touch-tone menus. It is a free service and is available 24 hours a day, seven days a week. The website includes an interactive trip planner. Phone users who are hearing impaired can use 511 by calling 711.

## **Senior Mobility Guide Online**

An online version of this guide is available at [www.peninsularides.com](http://www.peninsularides.com). The online guide has live links to all the web resources listed in this print version.

## **Requesting a Senior Mobility Guide**

Additional Guides can be obtained in the lobby of SamTrans Headquarters located at 1250 San Carlos Avenue, San Carlos, California 94070. Guides can also be requested by calling 650-622-7823. The Guide is available in English, Spanish and Chinese.
